EDITOR'S LETTER

Where do we start with your very latest issue of Mayfair? How about we jump straight in and go to Bella Mendez? When questioned, she told us that she's been spending quite some time buried between another one of the Paul Raymond model's legs putting those lips, and tongue, of hers to good use! Were we surprised, not really, we like to encourage healthy working relationships over here! Amy Green and Stacey Saran look stunning as per usual and Zara Mae and the rest of the girls add even more spice to an already explosive (in your pants) issue. But let's save the best for last, and that's this month's cover girl Ruby Mae. Her photos really do speak a thousand words.

Dear Mayfair,

Having been confined to my bed for a few days recently, with a dose of the flu, I could certainly have done with some treatment from a gorgeous, naughty nurse. I dream of them coming into my bedroom to 'treat' me and my hard cock. The tight little white uniform emphasises their exquisite body and, as I eye her ample cleavage and the tops of her raunchy black stockings, my cock becomes stiff.

"John, you have some swelling between your legs," she smiles as she examines me. "Let me have a closer look," she says, pulling back the covers. "It's your lovely big cock," she giggles as she strokes it with her fingers. "Let your nurse suck it better." She slowly wanks my swollen shaft and squeezes my spunk heavy balls. I watch as she unbuttons her uniform and takes it off, revealing her magnificent tits and shaven, pink pussy.

"Let me taste your cunt," I plead. With a slutty smirk, she climbs onto the bed allowing her firm thighs to straddle my face.

Her hot, wet fanny hovers above my mouth and she squeals with glee as I finger-fuck her tight hole. As I feel her tongue slide up and down my shaft, I push my tongue inside her delicious twat and begin to lick her out.

Meanwhile, she clamps her warm, wet mouth over the purple head of my cock and pushes

her lips down my shaft, taking my length to the back of her throat. She writhes in delight as I grip and spread her firm bum cheeks while my tongue teases her sweet clit.

It would be such a sexy sight seeing her cute bum framed within naughty black stockings and suspenders. Our intense 69 reaches its red hot climax moments later. As her girlie juices pour out of her snatch and all over my face as I make her come over and over again, she brings me to my limit. She wanks the base of my cock as she sucks the bulbous tip until my prick twitches and explodes between her lips, filling her mouth with a full load of my hot, creamy spunk. As she gulps down my jizz, she continues to wank my cock onto her face and tits, covering herself in sticky white sperm and she moans in delirious, orgasmic pleasure.

Then she climbs off of me and I can only lie back and watch as her spunk hungry tongue licks

the tip of my prick clean.

"Feeling any better now, John?" she grins, pulling her uniform back on.

John, Glasgow

Dear Mayfair,

Last week, I ran into an old friend of mine, Ian, who I hadn't seen in about eight years. We'd been good mates once so we decided to go for a drink. He told me all about his new wife. He'd married her two years ago after a whirlwind romance where she had introduced him to the world of swinging.

His description of her made her sound like an incredible woman, and after a couple of pints he invited me back to his place to meet her. Well, I didn't have anything on that evening so I readily agreed.

When we got back to his place, his wife, Jenny, was in the kitchen making dinner. She had long, auburn hair and a slim, 5'4" build with a fantastic, huge pair of tits.

"Hello love, this is Brett, an old friend of mine I haven't seen in years," said Ian. "I've been telling him all about you. He wanted to meet you so I decided to bring him home with me."

Jenny stopped what she was doing immediately and came over to me. "You've told him everything I hope," she said, smiling, and then she ran her hand down my shirt and softly stroked my cock through my trousers. "Are you staying for dinner?" she asked. I nodded, dumbly. "Then perhaps you'd like to try my starter?" And with that she undid her dress and let it fall from her shoulders to the floor. She was wearing the full set underneath: stockings, suspenders, garter belt and matching skimpy knickers with a low-cut bra holding up her lush breasts. My cock was aching to get out of my trousers and inside this fabulous, horny woman, but I wasn't really sure what I was supposed to do.

"Go on mate, have a taste of her pussy, it's fucking lovely," Ian said, nudging me towards her.

"I'll leave you two alone for a while so you can get to know each other better," and then he walked out of the kitchen.

Meanwhile, Jenny had climbed up onto the work surface.

Dear Mayfair,

I'm a huge fan of the magazine and I love the girls in it every month, especially when you unearth new gems like Roxy Winters. The only thing I like more about checking out the girls is imagining what it would be like to be with them. Roxy is the type of girl I'd like to have a sexual experience with, and I really hope that she's one of those girls that likes anal sex too because she's got such a pretty looking bum hole, and I bet she's really tight too. It's one of the most enticing arses I've ever seen, it's so annoying when you tease the readers in such a way, but well worthwhile!

Dear Mr. no name, Roxy was a really good find, and we'll take all of the credit for that. There's more to come!

Dear Mayfair,

Wow, that Tiger Benson from the last issue of Mayfair is such a great looking chick that I just couldn't contain myself, I just had to have a quick wank whilst looking at her fantastic body. What a fantastic arse she has! She gives me an instant boner every time I look at her well-rounded buttocks. I would love to have her on top of me, riding my cock until I'm ready to shoot my load. I would suck her tits and finger her arschole while she reached back and squeezed my balls. Just one evening with her would make my day. I mean, who wouldn't want to fuck her? I think Tiger is a hot babe and I would definitely love to sink my hard cock deep into her pussy and screw her senseless. Please can you get her back in the magazine again in the not-so-distant future?

Dale E.

Dear Dale, what can we say, other than that we find the hottest girls from all over the world and give you just a little glimpse of them so that you can let your imagination run wild. Keep up with the wanking, it's on doctor's orders, it's healthy for you didn't you know?

"I lubed up her arsehole with her own pussy juice and then slowly began to fuck the her arse off her as she fingered her pussy. "

Spreading her legs, she rubbed at her cunt through her knickers.

"Mmm, this is nice," she said.

"Come on Brett, come over here and have a little taste. I need a tongue up my pussy."

That was enough for me; I went over there and put my hand on her cunt. Sure enough, her knickers were already wet.

She undid her bra and let her tits fall out and I took one in hand and bent forward to suck on her nipple before kneeling in front of her and pulling her knickers to one side.

"Yeah, that's it, lick my pussy," she said, running her hands through my hair. I spread her lips with my fingers and dragged my tongue up from her hole to her clit, flicking it over that lovely bud and then shoving it right up her twat. She was a dirty girl, rubbing her clit as I fucked her hole with my tongue and talking all the time: "Oh yeah, suck my cunt, fuck me with your tongue.

"Jets of spunk shot out of my cock and all over her pretty features as she tried to catch as much of it in her mouth and swallow it."

I'm a dirty slut, fuck me like a slut," stuff like that. It turned me on something chronic, I can tell you. I was so turned on that I didn't notice Ian had come back into the room.

"Mate," he said, surprising me.

"Stick this up her arse, she'll fucking come all over your face!" he laughed, and handed me a butt plug. I'd never fucked a woman in the arse before, nor even stuck anything up a girl's bum, so I was really up for giving it a go. As it happened, she came almost as soon as I had first nudged it against her arschole.

Just a few pushes and it slipped in easily and she screamed in pleasure and covered my face with juice, squirting (squirting!) her juices all over me.

And, once she'd come, she jumped down and knelt before me, tugging at the zip of my trousers and greedily pulling my dick out. She was an expert at sucking cock. She treated my prick like it was the best cock she'd ever tasted, and she had sucked all of the spunk out of mine in no time at all!

After that, we all sat down to dinner to get our strength back and then both Ian and I fucked her in every position you can think of. It was brilliant and they've both invited me back to their place next week for some more. I simply cannot wait!

Brett, Hove

Dear Mayfair,

Hi there Mayfair, just thought I'd share with you my best summer's day fuck. It was last August and I was sunbathing in the back yard with my bird, Paige. She's a blonde, 19-year-old with a pert arse and a good pair of tits. I was lying down in a pair of shorts and Paige was wearing - yeah, you guessed it, she was already naked. Her sexy body looked fantastic in the summer heatwave.

As you can imagine, her luscious body is a sight to behold. I leaned over and kissed her, then sat back in my chair. Paige climbed on top of me and gave me a long, hard kiss as I grabbed her arse and gave it a few slaps. Paige released her mouth from mine and began kissing her way down my chest, licking my belly button and dragging her tongue down to my boxers. Then she started teasing my prick through my shorts, nuzzling my length and kissing my balls through the stretched material. It wasn't long before she'd pulled off my shorts and got to work on my cock.

At first, she kissed my balls and licked my shaft all the way up before she took a deep breath and decided to take my nine inches deep into her mouth. She was slurping on it like it was a raspberry lollipop, covering

STACEY

Stacey has been in the Paul Raymond magazines for a long time now and we don't think she's looked any more glamorous than she does in her latest Mayfair photo shoot! "Ah, thank you! I do like to try and make an effort for your readers because I get so many nice emails forwarded on to me from them. I'm not into watching porn anymore, it doesn't get me off like it used to, but reading horny stories and knowing what your readers would like to do to me in graphic detail gets me gushing in no time at all!" What do you mean you don't like porn? We've seen your whole library of adult videos! "Being in a porn flick is not the same as watching one. You can't beat getting fucked in front of a camera, I'm just bored of seeing other people getting fucked, that's all.

my cock in her saliva. Then she climbed onto my face and squished her sticky pussy into my mouth whilst devouring my prick.

Tasting her love juices in the glistening heat was awesome. Her shaven pussy was dripping wet so I knew I was gonna have no problem sliding my cock in when it came to it. She crawled off my body and knelt in front of me, saying, "Fuck me, big boy!"

Like I needed asking twice.

I slapped her arse and then slowly, inch by inch, I buried my cock in her pussy and started to fuck her.

You could tell that she was enjoying it; her moans were loud enough to scare off the

birds! And so was I, it was so dirty. The sweat was pouring off of our bodies. I fucked her like that until the heat and the boning left me exhausted and I sat back and let Paige ride my stiff cock while I played with her tits. She was going at it full-throttle, her orgasms coming swiftly, one after the other. Just when I thought that was it, Paige said, "Fuck my arse," and clambered onto her hands and knees again. I lubed up her arsehole with her own pussy juice and then slowly began to fuck the arse off her as she fingered her pussy. It was fucking awesome and I knew it was gonna be less than a minute before I came so I pulled out and wanked in her face. Jets of spunk shot out of my cock and all over her pretty features as she tried to catch as much of it in her mouth and swallow it. There's nothing like a girl with spunk on her face . . .

Anyway, I can't wait for the next heatwave and, hopefully, a repeat performance. Who wants to join us?

J Forrest, Manchester

Dear Mayfair,

Those pictures of PVC-clad Katie Thornton in Mayfair 56/01 blew me away and reminded me of a girl I met once when I was a young 19-yearold stud. I was out at a club when suddenly I saw this amazing blonde on the dance floor, clad in a tight PVC outfit. I'd had a few drinks, which had loosened me up and given me the guts to go over there and talk to her. Her name was Mandy and she was 24. I ended up going back to her place. As soon as we got through the front door, Mandy pulled my cock out of my trousers and sucked me to a full erection. Kicking the door shut, she dragged me upstairs to her bedroom and unzipped her suit. As I sucked on her huge titties, she pulled a couple of dildos out of her bedside drawer and gave me one, saying, "Fuck me with this while I suck on your balls." I'd never used a dildo before, and I was a little bit scared of this highly sexual woman, but I did as I was told and slid the vibrator round her clit while it buzzed away, dunking it into her cunt hole once she was sufficiently turned on. It was a good job she only sucked my balls, because I would have come all over her face straight away if she'd been noshing my cock when she handed me another, thinner dildo and said, "Now put this one up my arse!"

Once I'd got that dildo up her arse, she stopped sucking my cock and just enjoyed my dildo play, orgasming so loudly I was afraid the neighbours would call the police! And then she made me wank onto her arsehole, which I did with pleasure. Once I'd come, she worked my jizz into her arse with her fingers and sucked the rest of it out of my dick. After that, she told me to leave!

Jake, Claygate.

Dear Jake, did you manage to get Mandy's phone number before you left, or was it just a one-night stand and she was never to be seen again? Only asking because we think we should get in touch with her and see if she might be interested in appearing in one of our magazines!

Dear Mayfair,

I've just had the most amazing sexual experience and I just have to share it with you. Last night, my wife, Sheila, and I went to a do at our local golf club. We had a great time, got pretty drunk and were among the last to leave. On the way out, my wife grabbed my crotch and whispered that she was going to fuck my brains out when we got home. "Why wait till then?" I said, feeling pretty randy myself. "Let's go down to the 16th hole, it's got a lovely bunker there . . . You've always said you wanted to shag on the beach."

Sheila giggled and I took her by the hand and led her down to the sand. As we walked, I realised what was about to happen. I was about to get laid in a bunker on our local golf course! A course I played through every weekend! We trotted down the fairway, Sheila stripped, leaving a trail of clothes all the way from the tee to the green, and I followed suit, kicking off my shoes and laughing my head off, my erection pointing north.

"Well, I suppose we'd better tee off," My wife said, and then she laid down in the bunker and pulled me by my cock towards her. Her pussy was already wet by the time I'd dropped to my knees – we were both extremely horny – and I sank my dick in all the way to my balls.

The heady mixture of drink and total sexual abandon meant that neither of us could hold out for very long and we came together just as I hollered, "Fore!" I can't wait till Saturday when I'll be playing a foursome with some old mates.

Wait till they hear about this hole in one!

Mike, Mitcham

Zara

Zara might enjoy sticking giant rubber cocks up inside her, but after the shoot we did have a quiet chat with her and explained that it might leave 99.9% of the readers, if not all of them, feeling somewhat inadequate! "Oh, don't be silly, all my online fans egg me on and want to see bigger things than this old dildo deep up in me. And if it's going in my arse the bigger it is, the better as far as they're concerned! It's completely different to fucking men and penis size. When I'm with a man, as long as it's not too small I still have a great time." That's music to our ears. By the way, when can we see this butt-play you were just talking about?" Maybe next time, but you can bring the dildo you want to see me fucking my arse with, OK!"

RUBY MAE

When the Editor asked everyone in the office if they fancied a bit of Ruby at lunchtime we thought he was asking us all out for an expenses paid 'meeting' at the Indian around the corner! We didn't realise that the stupid twat wasn't referring to the cockney rhyming slang for a curry, but the delectable Ruby Mae! Not that we were upset though, we made the best of both worlds and got in a case of beer and drooled over this month's cover girl doing her thing in front of the camera. And did it get any better when Ruby stated out loud that the photo shoot had not only got her horny, but pretty damn hungry too. We'll give you three guesses where we all ended up, unfortunately it wasn't in her bed! Just another day in the life of the best job in the world. All job applicants should drop us a line at contact@paulraymondmedia.com

BELLA

If that's not a great pair of blow-job lips we'd like you to find us some better ones! "These lips aren't just good for sucking cock, you know!" Bella tells us, with a smile on her face. "They're also good for kissing lips, and I'm talking about the ones located between a lady's legs!" Oh, tell us some more please? "What goes on between two women in the bedroom stays in the bedroom, and I'm not going to name any names either. I will say that my latest conquest between the sheets did just appear in one of your magazine recently though, but that's all I'm saying!" You're such a tease!

Kirsten

Brought up in Edinburgh, the 24-year-old is actually a Sassenach - born in London's Kensington - but don't tell the Daily Record who voted for her as one of the 'Flowers of Scotland'! As well as topless modelling, Kirsten has already made her film debut, appearing with Peter O'Toole, no less, in the Rainbow Thief, and is hoping it will lead to bigger parts in the future. But for Kirsten, her parts are quite big enough. "I spent my teenage years thinking my boobs were far too large. I could never fit into the uniform at school!" she said. "But now I've grown to like them and the way they feel. Don't you?" Chance would be a fine thing!

EVA

It looks like old Chris Cringle has been and left the cock stiffening present of Eva on the bed, seductively dressed in red, with a backside you want to sink your teeth into. Eva was what you put down on your Christmas list wasn't it? We always knew he was a randy old bugger, and he probably had a very merry time of it in the back of the sley with Eva before having a second round halfway down your chimney whilst he was balls deep inside hers. Still, we can't blame him, we'd want to test the merchandise too before the grand unwrapping, for quality control and all that.

Quest.....

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we – and here they are!

E-MAIL CONTACT@PAULRAYMONDMEDIA.COM

Since meeting my girlfriend, Christine, my cock has been in an almost permanent state of erection. She has the longest legs imaginable, the brightest smile, the world's cutest arse, and, best of all, she loves to fuck. What more could any bloke want? I can't think of much, so who cares if she's a useless cook and leaves the flat looking like a bomb has hit it? This girl has made me happy from the first day I brought her home and fed her pot noodles and a can of lager.

We had met a few times before, and when I managed to finally get her to come back to my place one really wet evening after a session down the pub, I couldn't believe my luck. Doing everything bar rubbing my hands together with glee, I led her into the living room, and, seeing her shiver from the drenching we'd just got, I offered her a pot noodle as a joke.

To my surprise she said "Yes, please," adding that she hoped I wasn't kidding because she loves pot noodles. Well I had been pulling her leg, but being a single bloke I luckily had a few of them Hanging around in the cupboard.

So, I sorted her out with her fave flavour and put the kettle on.

Meanwhile, Christine sorted us out with forks, and, kicking her shoes off, settled herself in my big recliner armchair.

I popped two beers and handed her a can and her 'meal'. Watching someone eat noodles isn't usually the prettiest of spectacles, but fuck, Christine had a way of making it one of the most erotic sights I've ever seen. She ate small mouthfuls, closing her eyes as she swallowed.

Then, dipping her fingertip into the sauce, she licked it, and closing her lips over it, sucked what remained of the sauce in a really suggestive way.

Aware that she now had my full attention, she grew bolder and it became apparent to me that Christine was more than a pretty face with a great body. She was hot little slut and a total tease.

Laying her fork aside, she slowly leaned back on the recliner, and, hitching her short skirt right up, put both hands between her thighs.

My jaw just about hit the bloody carpet. I mean, it was obvious what my intentions were when I invited her back to the flat, but Christine was giving me a demo of something so hot it could have been a scene straight out of a porn flick.

> "Her pussy muscles contracted around my fingers as her natural lubrication leaked out. Then, thrusting my tongue deep inside her mouth, I nudged my cock head against the thick folds of her labia."

Grinning at me, she licked her lips as she moved her panty gusset to one side and began to frig herself in front of me. Pulling her pussy lips apart, she looked directly at me and teasingly asked if I still felt hungry!

Her fanny lips were glossy with her juices and swollen with arousal as she spread them wide open with her fingers. Her pale, pink pussy-lips were framed with her neatly-trimmed pubes, and just looking at her was making my cock strain against my boxers, making a big bulge in the crotch of my jeans.

I knelt down and licked and kissed the inside of Christine's thighs, before moving my tongue to her pussy-flaps, teasing her fanny while lapping up her sexy juices. I found her swollen clit and flicked it gently from side to side with the tip of my tongue.

In response, Christine pressed her fanny hard onto my probing tongue, and, grasping my head, started to ride my face.

She was so ferocious and completely into it that every couple of minutes I had to come up for air! After a while though, I adjusted my position, and, moving my tongue back up her slit, I inserted a finger into her well-lubricated fuck-hole and searched for her g-spot.

Although I'm no expert at this, I must have found it, because she moaned loudly and came hard, gushing her sex juices all over my face as I gasped for breath.

Compelled to taste every inch of her, I turned her around so that Christine was kneeling on the recliner, and, pushing her skirt up her back, I admired her pert bum.

Pulling her panties down to her knees, I spread her cheeks and pushed my tongue against her puckered anus. It might not be for everyone, but I love giving a girl some serious anal pleasure!

Swirling my tongue around her little ring I felt her relax and then I stabbed my tongue as far up her bum-hole as it would go. Christine was writhing with pleasure as my hand played with her tight little cunt, and when I buried my fingers deep into her slit I felt her pussy spasm as she came again.

With her face pressed into the back of the recliner, Christine attempted to regain her breath, and I hastily removed my jeans and shorts. My cock was hard and aching for her. As I looked at her pretty little bum-hole I knew that this was where I needed to bury my dick.

It was still nicely lubricated from my tonguing, so I spread her buttocks wide apart and nudged my straining cock-head against her arse.

Christine squealed and giggled, gasping as I pulled my cock away again and popped it inside her hot slit. Lubricating my prick with her pussy juices first, I withdrew, then I penetrated her incredibly tight bum-hole and we both moaned with pleasure as I very gradually worked my way inside her arse, all the way up to the base of my shaft.

Gently I began to move back and forth, enjoying her tightness as I began to pump her rump. Obviously no anal novice, Christine was purring with pleasure, and before long she was

> "I felt the pressure in my balls building, knowing that despite desperately wanting this to last, I was about to blow my load."

begging me to really fuck her. I wanted to please her, and so I began to hump harder, building up a rhythm. She squirmed and wriggled, pushing her backside back against my crotch as I slammed away.

Then all of a sudden I experienced a rush of indescribable pleasure as I released my spunk deep inside her arse. I heard her own cry of excitement as her body jerked around, and then she too was coming like a freight train. We nearly broke the recliner that night! One of the arms is loose and it has been kind of rickety ever since.

Pete, Nuneaton M

My name is Louise and I love wanking off over magazines each month. I've also had a fair few sexy experiences which I reckon your readers may like to hear about.

I'm a temp with an agency and they send me out to various companies for a few days at a time, although I often get offered a permanent position in the office, especially if I've shown the boss what a sexy little slut I can be!

I was working for an IT firm a few weeks back. It was my last day and there were a number of handsome guys that I'd had my eye on. I knew that I was arousing interest as I was wearing a short summer dress and blouse, through which my bra was visible, plus I had on a pair of my sassy high-heeled shoes.

I was in the supplies cupboard on a stepladder, fetching some files, when Danny, the manager, walked in to get some pens, or so he said. I could see him looking up my dress, and as I looked down I noticed a nice bulge forming in his trousers.

My pussy started getting moist, so I moved one of my legs higher on the ladder, giving him a better view of the damp patch forming on my cotton panties.

Without saying a word he started running a hand up my naked, tanned thighs, gently squeezing them as he did so. Both hands then began to rub my inner-thighs, so I sat on the top rung of the ladder and spread my legs for him. His fingers crept into my panties and began to tickle my soaking wet fanny lips.

Danny ran his fingers down the groove of my dripping fanny and inserted one into my slippery hole. He then leant forward and dragged my panties off in one swift movement.

Mmmm, I just love masterful men. He began to nuzzle my pussy and I could feel him inhaling the smell of my sex. I sneaked a peek, and his bulge was getting bigger by the second.

He began to lick me, running his tongue around my clit, occasionally flicking my bud with his strong tongue. He then moved down and stuck it into my pussy and began thrusting. Oh, how I love being fucked by a man's tongue.

While he was sticking and probing it inside me he was also rubbing my swollen clit between his fingers, heightening the pleasure.

The idea that we might get caught began to excite me. I pushed Danny away and got off the ladder and down onto my knees. I cupped his balls through his trousers and began to rub my face against the bulge. I started to unzip his trousers, kissing and nibbling his six-packed stomach. I slipped his trousers down and gasped at the outline of his big, rock hard cock through his tight pants.

I began to stroke him with one hand as I undid the buttons on my white blouse, revealing my pert breasts through the lacy white bra.

I yanked down his pants and his big dick sprang to attention inches from my mouth. I licked and sucked the head of his shaft, concentrating on the tiny hole in the tip.

I love giving blow-jobs, so I tend to draw them out, titillating and exciting the guy until he is gagging to cum. He was no different as I began to stroke his shaft whilst taking one of his heavy balls in my mouth and gently sucking it. I then moved to the other ball and then underneath them. Men love having their balls sucked and played with. I slowly worked my way back up his shaft, taking him deep in my mouth in one quick move. Danny was gasping with pleasure as I sucked him, working him up to a frenzy of excitement.

Suddenly he pulled out of my mouth and pushed me back onto the floor.

As I laid back, I parted my legs, giving him a proper view of my dripping slit. He knelt and started rubbing his cock back and forth over my engorged hole, pushing his hot, hard knob around my clit.

I arched my back, demanding to be filled with his twitching manhood.

He pressed his cock against my pussy entrance, teasing me by pushing his tip just into my fanny and then pulling back.

As he pushed forward, I thrust my hips right up and grabbed his arse, pulling him into me.

He then began thrusting hard up my sodden twat and I put my hands on the wall to brace myself. Danny pumped me with short hard strokes, his balls slapping against my arse and his thumb rubbing my clit. We came together, my hips bucking uncontrollably as I stifled my long, breathy moans.

I quickly wiped up our juices and Danny asked me to meet him in the boardroom after work. I adjusted my clothes and quickly returned to my desk eagerly anticipating my second round of cock.

At 5pm I switched off the computer and made my way to the boardroom.

Danny was sitting there with a broad smile on his face. I climbed up onto the table and began a strip routine, unbuttoning my blouse and slowly revealing my tanned body. I removed my bra, revealing my bulbous, excited nipples, and unzipped my skirt before doing a little sexy dance, standing before him wearing my heels and nothing else.

I pulled Danny onto the table by his tie and pushed him onto his back, then unzipped him as he unbuttoned his shirt, grabbing and squeezing his thighs as he removed his trousers for me.

I straddled him and slowly fed my greedy cunt with his ample prick. I started to move up and down his cock, clenching and unclenching my pussy. Danny was panting as I rode him harder and faster before squirting his load deep inside.

I still work for Danny and, with us fucking at every single possible chance, most of the furniture in the boardroom has been christened with a mixture of his thick cum and my pussy juice. I love my job!

Lucy, Portslade MF

I have a really crummy job working for a book publishing company. Sounds interesting, but it isn't. I work in accounts and it is deadly dull and boring. I am an average guy with a very average life, and while I am fairly fit looking I am married with two ankle-biters at home and a fucking huge mortgage. My wife used to excite me but since our second was born she has far less time for me.

Small wonder, then, that I play away from home at every opportunity, and I'm lucky in my job, because working in a big office there are a lot of happy slappers to choose from. Most of the girls are single and up for a bit of fun, but Emily is definitely my favourite.

From the moment I saw her I fancied her like nobody's business. Emily's not the prettiest girl working here but she's certainly the fucking hottest, not to mention the most laid back. There's something about the way she walks and the way her skirt hugs her arse-cheeks that always makes me forget what I'm doing and want to fuck her on the spot.

Of course, I'm not the only one who wants a piece of her, especially when the goods on display are so enticing.

Most of the blokes in the office drool over this bubbly little sexpot, and she loves to flirt. So, while I fancied the knickers off her I had some stiff competition from the other male members of staff.

Like I say, the passion and spontaneity has long since gone out of my marriage, and my wife doesn't seem to give a bugger about the fact. So when Mike the office manager was organising a do for one of the older members of staff who was retiring I decided I was going to do my damnedest to shag Emily.

My mates and I met up first for a few drinks in the bar below the function room they'd hired for the night. After a few pints and shots I made my way upstairs, where the party was already in full swing, the drink was flowing and the music was blaring. Even the most inhibited of my workmates were letting their hair down and it didn't take me long to get into the mood along with everyone else.

As I'd guessed Emily was looking hot as hell, dressed like an up-

market slut in a plunge-neck blouse and a tiny mini-skirt which barely covered her panties. Her stocking tops were visible just below the hem of her skirt, showing her pins off to perfection, and the pair of ankle strap stilettos that she wore would have made any expensive escort proud.

It seemed natural that Emily and I would gravitate to one another, or maybe I was just lucky. The alcohol we consumed certainly lowered our inhibitions. Without voicing our intentions we left the hubbub of the reception and wandered down the corridor. There were others out there, standing in groups and talking. One or two couples were even more intimately engaged.

Without thinking clearly about where we were going, I led Emily further along the corridor until we came to what looked like a storage room for the catering. It was small and cramped, basically just a glorified walk-in cupboard really, but I was only interested in the fact that there was a key in the door which I removed and replaced in the lock and turned once we were inside.

Nobody was around, and there were no security cameras. It was perfect. Drawing Emily to me, I began to kiss her hard on the lips, and she in turn sucked my tongue deep inside her mouth. After a few moments I pulled my tongue out and ran the tip across her full lips, then I began kissing her cheeks and licking her neck as I felt my hard-on erect a massive tent-pole in the front of my trousers.

She ground her crotch against my throbbing stiff cock, dry-humping me through my trousers as I unbuttoned her blouse. Almost ripping it off her, I dropped it to the floor, where it was soon joined by her skirt.

Emily was a proper picture standing there in a minute scarlet thong and a matching uplift bra, her long plum-coloured nails fumbling in her haste to undo my trouser belt. She finally managed to unzip me and I stepped out of my trousers and removed my shirt.

Burying her face in my chest hair she nipped at my nipples with her teeth. I hadn't felt this kind of passion since before I got married, and my cock twitched at the very thought of being inside her.

Unsnapping her bra, I slid it off, revealing a pair of smooth white breasts, and my lips latched onto her dark pink nipples, sucking hard as she slipped out of her panties.

> "I straddled him and slowly fed my greedy cunt with his ample prick. I started to move up and down his cock, clenching and unclenching my pussy."

Still tonguing her tits, I reached down and slipped two fingers inside her slit, easing them into her moist hole and frigging her gently.

My hard rod ached with its stiffness, dripping pre-come as Emily stroked my shaft.

At the same time, her pussy muscles contracted around my fingers as her natural lubrication leaked out. Then, thrusting my tongue deep inside her warm wet mouth, I nudged my cockhead against the thick folds of her labia.

With her back pressed against the wall, Emily threw her arms around my neck and I forced my throbbing length inside her warm pussy. We moved in a perfect rhythm, me shunting in and out of her tight cunt, and my excitement increased tenfold as I felt her fabulous big soft tits pressing against my chest.

Her face contorted with lust when I began to really pound into her, and she dug her long nails into my shoulders and gasped in increasingly frantic excitement.

I felt the pressure in my balls building, knowing that despite desperately wanting this to last, I was about to blow my load.

Unable to slow down, I fucked her fanny harder, watching her eyes close as she bit her lower lip. Stifling a scream in her throat as her pussy clenched hard around my cock, she bit my shoulder to muffle her screams as the intensity of her orgasm shook her body.

Long past caring whether or not we were rumbled, I felt my balls tighten as I increased the speed even more. Plunging deep inside her, my body was racked by a truly mind-blowing orgasm as burst after burst of my jism exploded into her spasming pussy until I was totally spent.

SIBYL

Can you believe that Sibyl was last in Mayfair way back in 2018, we couldn't quite get our heads around it either! Now, Sibyl might be the sort of name you associate with grannies rather than saucy 23-year-olds, but apparently there's a reason for it… "It's from the Roman priestess who used to get off her head and predict people's futures!" she tells us. "I heard the story and thought it was so fantastic I just wanted more people to know about it. She lived in a cave and went mad because of all the toxic fumes!" Well, we don't need any sort of soothsayer to tell us that we're glad to see you back in the magazine again and we'd like to see a bit more of you in the future!
